CEDEC Annual Congress
15 October 2015, Brussels

Become a Sponsor and Promote Your Company

CEDEC, the European Federation representing more than 1500 local and regional energy companies, is very pleased to invite you to its annual Congress on 15 October 2015, at the EU Thon Hotel in Brussels. As for our previous congresses, an ambitious program with top-level speakers will be presented to an audience of high level representatives of the EU institutions, managers and stakeholders of local and regional energy companies, and other energy and climate experts.

Promote your company, enhance your visibility, and develop your network and influence by becoming a sponsor of the CEDEC Congress 2015! The event offers a unique opportunity to strengthen your brand visibility at the European level.

We offer a wide variety of sponsorship packages (see below).

Would you like to be involved in this event as a sponsor? Feel free to contact us at info@cedec.com

EXTRA OPTIONS:

“Introduction speech at the gala evening” (10.000 without package; 5.000 with Gold sponsor package; excl. VAT), *only one package available*

At the Gala dinner on the evening before the congress there is the possibility to deliver the keynote speech (15 minutes) before the dinner starts. A unique possibility to share your companies views on the matter of future Energy Markets with stakeholders and policymakers from all across Europe. Grab these 15 minutes of fame and let us know quickly as there is only 1 position available.

“Video registration of the congress”, *only one package available*

During the congress high level speakers of different backgrounds and organizations will deliver speeches and share their view on the future of Energy Markets. We provide 1 position to register the congress and give you the right to use the video material for marketing/PR purposes*.

*Three requirements are applicable:

- The video registration cannot interfere with the program of the congress and must be of minimum inconvenience;

- The company is responsible for the organization of all aspects regarding the video registration.
- The registered video material must also be made available to CEDEC to be used in their public affairs.
