

DIGITALEUROPE

Vision

"..." Address societal challenges delivering Innovation and Economic Benefits "..."

Mission

To foster a business, policy and regulatory environment in Europe that best realizes our vision.

We will achieve this by working as positive partners with the European Institutions and other European and global bodies and, through our national trade associations, the member states of Europe.

Members

A wide range of Multinational Companies (61) and National Trade Associations (37)

Which represent more than 27,000 businesses and two million employees...

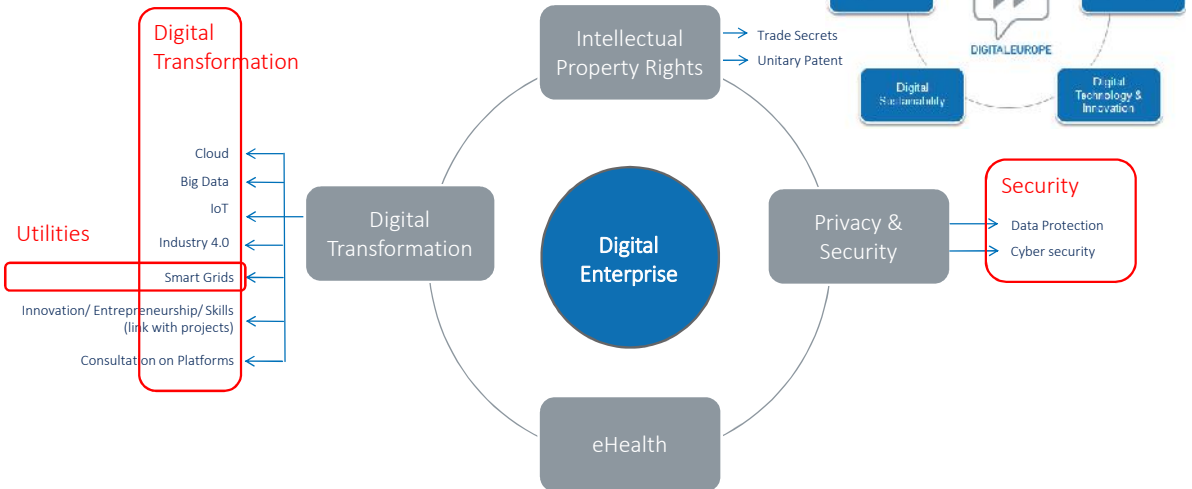

Thus bringing credibility and legitimacy to the organisation...

Which has become the voice of the European Digital Technology Industry.
